INSTRUCTIONS FOR ACCESSING AND COMPLETING DISTRICT ASSESSMENT INFORMATION AND STANDARDS REPORTING OPTIONS IN THE CONSOLIDATED DATA COLLECTION (CDC)

The Consolidated Data Collection (CDC) is a system designed to collect data for Federal and State reporting that is not collected through the Nebraska Student and Staff Record System (NSSRS). CDC is a data collection available on the NDE Portal. The NDE Portal is available via a link on the NDE homepage: www.nde.state.ne.us or by directly accessing the link: <http://portal.nde.state.ne.us>

Find the Collection:

- 1) Log in to the portal > Click on the tab for “Data Collections”
- 2) Choose “Consolidated Data Collection (CDC)”
- 3) From the “Open Collections” list, choose “State of the Schools Report”*

Each report screen has navigation buttons at the top of the screen as well as a “Click for Instructions” bar. At the bottom the report has buttons for “Save” and “Save and Close.” As you enter information into each report, you may want to save periodically. When finished with a report, select the “Save and Close” option.

Pre-populated data will not be considered complete, even if there are no changes, unless “Save Data” or “Save Data and Close” is clicked. A checkmark in the status column indicates the report is complete.

Complete the section: “District Assessment Information”
