Summer School Supplement

Due Date: August 15
Audit Window Close Date: August 31

SCOPE
The Summer School Supplement collection is to be completed by Public Districts. It collects the total days of attendance for each district's summer school program.

At the end of each regular school term the Nebraska Department of Education collects the attendance data for each school district and system in Nebraska. State total ADA is reported to the U.S. Department of Education and is used in formulas for allocating federal entitlement for Title I, Impact Aid, Indian Education and other federal programs.

The federal government requires that the total aggregate days of attendance for summer school be added to the total aggregate days of attendance for the regular school term to provide the numerator for the calculation of state Average Daily Attendance (ADA). The denominator for this calculation is the average number of days in session during the regular school year.

The following example shows how Nebraska must calculate ADA for federal reporting purposes:

EXAMPLE OF CALCULATION OF STATE AVERAGE DAILY ATTENDANCE (ADA)
State total aggregate days in attendance for regular school year 45,353,683.20  
(based on Attendance numbers submitted through ADVISER and ADVISER derived Days in Session)

State total aggregate days in attendance for summer school 1,360,610.49  
(from the Summer School Supplement as reported in the Consolidated Data Collection (CDC).)

Average number of days schools are in session in regular school year 169.2  
(Note: the number of summer school days will not be used in the calculation).

Calculation of State ADA:
\[(45,353,683.20 + 1,360,610.49) = \frac{46,714,293.69}{169.2} = 276,089.21\]

276,089.21 is the State Average Attendance (ADA)
DIRECTIONS

Access

Accessing the Summer School Supplement collection requires a Consolidated Data Collection (CDC) activation code – General, All or Approver User Type. If you do not have the Consolidated Data Collection (CDC) in Data Collections, you will need to obtain an activation code from your District Administrator.

1. Log into the NDE Portal at https://portal.education.ne.gov
2. Click on the blue Data Collections tab
3. Click on the Consolidated Data Collection (CDC) link

4. From the Open Collections list, choose Summer School Supplement.

Navigation

Upon entering the collection, you will see
1. The Title
2. A Main Menu list of options
3. A ‘no summer school held’ button
4. The box to submit Prorated Days of Attendance for Summer School
5. A View Summary Report button, and
6. The Submit/Approve section (Only Approver user types will see the Approve button)
Main Menu
1. Contact Us – Lists NDE contacts to call or email if you have questions while completing the report
2. Click for Instructions – Opens this document

Other menu items seen through the collection include
1. Collection Main Page – Returns user to Summer School Supplement collection main page
2. CDC Main Page – Takes user back to the Consolidated Data Collections main page
3. Logout – Closes the current tab and returns user to NDE Portal

Instructions
If the district did not offer summer school, select the box indicating as such:

**SUMMER SCHOOL SUPPLEMENT**

[Check this box if no summer school was held]

Report the total Prorated Days of Attendance for your District’s Summer School program for the 2017-2018 School Year.

Report the number with 2 decimal places. Click on the "Submit" button to save the data. (See Instructions for worksheet that may help you calculate the Summer School Aggregate Days of Attendance.)

If the district did offer summer school, enter the number of total Prorated Days of Attendance for your District’s Summer School Program.

**SUMMER SCHOOL SUPPLEMENT**

[Check this box if no summer school was held]

Report the total Prorated Days of Attendance for your District’s Summer School program for the 2017-2018 School Year.

Report the number with 2 decimal places. Click on the "Submit" button to save the data. (See Instructions for worksheet that may help you calculate the Summer School Aggregate Days of Attendance.)

Note: the number reported needs to include 2 decimal places, even if they are just .00
Note: the Summer School Supplement collects data from June – August

Selecting the View Summary Report button allows user to view a copy of what has been reported.
Submit / Approve
After user has completed data entry click the **SUBMIT** button, indicating the collection is ready to be reviewed by the District Administrator.

When the District Administrator has reviewed the data and determines it to be correct, they will click on the **APPROVE** button to submit the data to NDE.

NOTE: Only the person who is designated as APPROVER (typically the District Administrator) in the CDC will see the **APPROVE** button in the box below the **SUBMIT** button. The APPROVER can submit and approve the collection.

Once the collection has been approved, changes will no longer be able to be made to this collection. If changes are necessary after approval, please contact the NDE Helpdesk as they will need to re-open the collection.
**DEFINITION/EXAMPLE**

**Aggregate Days of Attendance**: the sum of the days actually attended by all students when school is in session (for summer school only.)

Example: Pam attends summer school in a district where the school day during the regular term is 6 hours long. Pam attends summer school in the same district for 30 days, two hours each day for a total of 60 hours of attendance. Pam’s days of attendance in summer school multiplied by the summer school hours are then divided by the number of hours during the regular school term day to arrive at a prorated days of attendance.

\[
\text{Column (a) x Column (b) divided by Column (c) = Column (d)}
\]

<table>

<td></td>
<td><strong>15.00</strong></td>
</tr>
</tbody>
</table>

Transfer this number to the Summer School Supplement in the Consolidated Data Collection (CDC).

The prorated days of attendance for each student is then totaled to arrive at the prorated days of attendance for the district’s summer school.

**Note: Exclude Federally Funded Activities.** Exclude any portion of a student’s time that is supported by Federal funds. In the above example, if half of Pam’s program is being supported by Title 1 funds, then her hours per day would be reduced by one half.
FREQUENTLY ASKED QUESTIONS

Who should be reported?
Students should only be reported in the program where they are actually served.

Should Summer Drivers Education class be included as a Summer School Program?
YES, if any of the following conditions exist:
   - If the district sponsors the program.
   - If the student gets credit toward graduation.
   - If the expenses for the course are run through the General Fund rather than the Student Fee Fund.
It doesn’t matter whether the student pays tuition or not, if any of the above conditions are met the course should be included.

Should Preschool be included as a Summer School program?
YES, include regular Preschool programs for Summer School.

Should Summer School Special Education be included?
YES, include school age Special Education programs because they are state funded.
DO NOT include Special Education Below Age Five programs, because they are mostly federally funded.

What about “fun” programs?
No camps should be included unless the funds are run through the General Fund rather than the Student Fee Fund. Camp can be included if the student gets credit toward graduation.

Should GED programs be included?
GED programs CAN be included but you can only use Aggregate Days of Attendance for students who are under age 21.

What about Drug Free or Title 1 Summer program?
Drug Free and Title I programs DO NOT count, they are federally funded.

Should ESL summer school programs count?
This program CAN BE included if the program is district or state funded.

Should Migrant Education be counted?
This is a federal grant and if students are being educated under that grant, the answer is NO.
